SUPPLEMENTARY INFORMATION:

Title: Petitions for Rulemaking

OMB Control Number: 0583-0136.

Type of Request: Renewal of an approved information collection.

Abstract: FSIS has been delegated the authority to exercise the functions of the Secretary (7 CFR 2.18, 2.53) as specified in the Federal Meat Inspection Act (FMIA) (21 U.S.C. 601, et seq.), the Poultry Products Inspection Act (PPIA) (21 U.S.C. 451, et seq.), and the Egg Products Inspection Act (EPIA) (21 U.S.C. 1031, et seq.). FSIS protects the public by verifying that meat, poultry, and egg products are safe, wholesome, not adulterated, and correctly labeled.

The Administrative Procedure Act requires that Federal agencies give interested persons the right to petition for issuance, amendment, or repeal of a rule (5 U.S.C. 553(e)).

FSIS has regulations to govern the submission to the Agency of petitions for rulemaking (9 CFR Part 392). These regulations are designed to encourage the filing of well-supported petitions that contain information that the Agency needs to evaluate a requested rulemaking in a timely manner. FSIS uses the information associated with a petition to assess the merits of the requested action and to determine whether to issue, amend, or repeal regulations in response to the petition.

FSIS is requesting a renewal of the approved information collection addressing paperwork requirements regarding petitions submitted to the Agency. FSIS is making no changes to the approved collection.

FSIS has made the following estimates based upon an information collection assessment.

Estimate of Burden: FSIS estimates that it takes respondents an average of 40 hours per year to complete and submit a petition.

Respondents: Official establishments, official plants, firms, trade associations, and public interest groups.

Estimated Number of Respondents: 10.

Estimated Number of Responses per Respondent: 1.

Estimated Total Annual Burden on Respondents: 400 hours.

Copies of this information collection assessment can be obtained from Gina Kouba, Paperwork Reduction Act Coordinator, Food Safety and Inspection Service, USDA, 1400 Independence, SW, Room 6077, South Building, Washington, DC 20250, (202) 690-6510.

Comments are invited on: (a) whether the proposed collection of information is necessary for the proper performance of FSIS's functions, including whether the information will have practical utility; (b) the accuracy of FSIS's estimate of the burden of the proposed collection of information, including the validity of the methodology and

assumptions used; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques, or other forms of information technology. Comments may be sent to both FSIS, at the addresses provided above, and the Desk Officer for Agriculture, Office of Information and Regulatory Affairs, Office of Management and Budget, Washington, DC 20253.

Responses to this notice will be summarized and included in the request for OMB approval. All comments will also become a matter of public record.
